

New amazing exclusive career opportunity in agribusiness from #Agxecutive recruiting NOW a top-notch professional for the newly created **Marketing Manager position for Romania and Moldova** of a top crop protection multinational supplier. With a sustained presence on all the continents where agriculture is present, this major global player in the phytosanitary sector comes with a disruptive solution-based offering focused on farmer needs, an unmatched thirst for success and a constant business growth. Romania is one of it's "first in class" subsidiaries, with unparalleled overachievement of the growth objectives in the last years. If you have a solid background in Agriculture and/or Marketing, and all the following marketing dimensions ring a known bell of "been there, done that", please get in touch with us asap: segmentation, targeting, positioning, creating demand through balanced pull & push, campaign management, KYC and more. You will be serving a highly demanding Sales department and you have a solid record of execution capabilities with a determined focus on getting things done. Please apply responsibly or share with you relevant pro network: natalia.gheorghe(a) [agxecutive.com](http://agxecutive.com) / 0743488020.
